a Read the article. Which person is different? Why?

#### Famous ex-teachers

Everybody knows that before she was a famous author, J.K. Rowling was an English teacher at a language institute in Portugal.

But here are four more ex-teachers. Maybe you know them...

The American author, Stephen King, is famous for his horror stories and the films made from his books. *Carrie*, *The Shining*, and *The Shawshank Redemption* were all novels by Stephen King. But, after university, his first job was as an English teacher at Hampden Academy, a public high school in Maine, USA.

British guitarist, Brian May, was in one of the greatest rock bands ever: Queen. But before the band was famous, he was a maths teacher in South London. He says he was happy with his job but the students were sometimes difficult.

American actor, Sylvester Stallone, famous for the *Rocky* and *Rambo* films, was at drama school in Switzerland in the 1960s. He needed some money, so he worked as a PE teacher when he was a drama student.

Finally, Australian actor, Hugh Jackman, wasn't a teacher, but before he went to drama school, he was a teaching assistant at Uppingham School in England. He was there for a year. Today he is famous as Wolverine in the *X-Men* films and as Jean Valjean in *Les Misérables*.

## Five things to do in Venice

There are literally thousands of incredible things to do and see in Venice. But if you don't have much time, here are my top five...

**A Piazza San Marco** This is the most famous tourist attraction in Venice and one of the most famous squares in the world. If you visit in the evening, you can have a drink, listen to jazz and classical music playing outside, and watch the people of Venice. But be prepared – it's always crowded.

**B A vaporetto on the Grand Canal** Take the vaporetto (or water bus) down the Grand Canal for a unique experience. You can travel all the way down the canal and take amazing photographs of the beautiful buildings. The best time to go is just before sunset, but it's sometimes cold, so take a sweater or a jacket.

**C San Giorgio Maggiore** This is a short trip from San Marco (by vaporetto), but there's a very different atmosphere here. It's quiet and relaxing. You can take a lift to the top of the tower and there are fantastic views of the city. You can also see some beautiful paintings here.

**D Rialto** It's not easy to find, but if you like food, this is one place that you really need to visit. If you go early in the morning, that's when you can see local Venetians shopping for food. There's an incredible selection of fresh fruit, vegetables, and local ham and cheese. There's a fish and seafood market on Fridays and Saturdays.

**E Real Venice!** Venice is full of tourist attractions, but maybe the most interesting places in the city are the streets where the local people live. Here you can often find the best restaurants and the best shops. Get up very early in the morning, before the coaches and boats full of tourists arrive, and if you listen carefully, you can hear the sound of the canal.

- 1 You can find good places to eat here. E
- 2 You can hear music here.
- 3 You can travel here by boat.
- 4 It can be difficult to find.
- 5 You can buy a lot of different kinds of food here.
- 6 This is a good place to take photos.

**B** At the Mexican restaurant.

**A** Oh, the new place in town?

**B** That's right. They do excellent tacos.

**5 A** How was your weekend?

**B** What weekend?

**A** You know, Saturday? Sunday?

**B** Oh, that weekend. We are so busy at the moment. I was in the office all Saturday and most of Sunday morning.

**11A))**

**I = Interviewer    D = Debbie**

**I** Debbie, where were you last month?

**D** Actually, I was in Mexico.

**I** Mexico? Were you on holiday?

**D** Well, I was on holiday for three weeks, and then I worked in a small village for a month.

**I** Who did you go with?

**D** I travelled with my husband. My daughter wanted to come, but she was at university at the time.

**I** How did you travel there?

**D** First, we visited my parents in New York, and then we travelled to Mexico City by plane. After that, we travelled around the country by bus.

**I** Where was the farm?

**D** It was on the Pacific coast of Mexico, in a state called Guerrero.

**I** Where did you stay?

**D** We stayed in a house in the village. It had three bedrooms and it was perfect for us.

**I** And you worked on the farm?

**D** Yes, and we also worked at the local school. I helped the children with their English, and my husband helped with maths.

**I** Did you like Mexico?

**D** Yes, I did. The people were very friendly, and the food was delicious.

**I** Did you earn a lot of money while you were there?

**D** No, we didn't work for money. This was voluntary work.

**I** What a fantastic experience, Debbie!

**D** Yes, it was. It was great!

**11B))**

**A** Hi Ellie. How was your day?

**B** Well it didn't start very well.

**A** Oh, why was that?

**B** Well, I didn't walk to work today, because it was raining. I decided to get the bus. But the bus was late, I waited for half an hour, and then it arrived, but it was really slow, so in the end I was late for work.

**A** Oh. Was it a problem?

**B** Well, I had a lot of work when I got to the office. The morning was really busy. I didn't have lunch. I didn't have time.

**A** Did you have anything to eat?

**B** I had some fruit at my desk. I'm really hungry now.

**A** How was your afternoon?

**B** The afternoon was good. We had a really interesting meeting and then I finished all my work for the day. So it wasn't a bad day.

**A** That's good then. Would you like some dinner?

**B** Yes, please...mmm. Are you cooking chicken?

**A** I am. Your favourite. Five minutes.

**B** Great!

**12A))**

- A So, how was the match on Saturday? I watched in on the TV. I thought it was a fantastic game. First half, I thought the...
- B I didn't go.
- A What do you mean you didn't go?
- B Well. It's a long story. I did something really stupid.
- A What did you do?
- B Well, I decided to look on the internet for tickets. And I found some on a website. They were a good price, so I bought two tickets with my debit card.
- A Then what happened?
- B Well, when I paid for them, I got this strange message. It said that there were some technical problems with the website and it wasn't possible for them to send me the tickets electronically. But they said it wasn't a problem. They said a representative from the company would meet me next to the ticket office outside the stadium at seven o'clock, an hour before the match, and give me the tickets in person.
- A What did you do?
- B I went to the stadium at 7.00. But the ticket office was closed. Nobody was there. No representative. No tickets.
- A Oh no. So you didn't see the match.
- B No, and I paid £100 for two tickets. I can't believe I was so stupid.

**12B))**

- Speaker 1** What am I doing next weekend? Well, I'm playing basketball on Saturday, but the match is in a town about 200 kilometres away. We're going by bus, and we're leaving very early in the morning because we're playing at 11 o'clock. I hope we win!
- Speaker 2** It's my birthday next weekend, so I'm having a barbecue at my house on Saturday evening. My family is going to be there – my sister and her husband and my brother and his wife with their children, and some of my friends are coming, too. I hope it doesn't rain!
- Speaker 3** We're going away next weekend – to Paris! We're flying on Friday after work and we aren't coming back until Monday night because it's a long weekend. We're staying in a hotel in the centre of Paris. I'm very excited because it's my first visit to France.
- Speaker 4** Next weekend? We're going to a concert on Friday night. A new band is playing – they're called The Spitfires and they're really good. We're getting the train into town and then we're meeting some friends. We're going to the concert together.
- Speaker 5** Next weekend is a very busy weekend for me because I'm leaving home. I'm starting university at the end of September and I'm renting a flat with some other students. I'm a bit nervous about it. I don't know what it's like living away from home.
